**with a chance each month  
of winning a cash prize!**

***Anyone can become a member for only £1 upwards per month.***

***This is how it works:*** Each member buys a number at £1 per month, payable by standing order in advance; you may buy as many numbers as you wish. The more numbers you buy the more chances you have of winning! There will be a monthly draw for 50% of the fund, to be divided between 3 winners. The remaining balance will help support the costs of running Lytham Club Day & Rose Queen Festival.
